more praise for IT AIN'T EASY:

"There have been many tales of talented eccentrics along the rock 'n' roll highway. But It Ain't Easy digs well below the surface to offer an affectionate, warts-and-all portrait of the erudite dandy with the big baritone who mentored Rod the Mod and Captain Fantastic and forever reigns as the towering king of British blues."

NICHOLAS JENNINGS, author of Before the Gold Rush

"To understand the music of Elton John, Rod Stewart,
Eric Clapton and even the Beatles, you have to first understand
Long John Baldry's contribution to British pop.
Paul Myers's biography vividly captures John's charm and
humour and the colourful times in which he lived."

LARRY LEBLANC, Billboard

To my parents, Eric and Bunny Myers,
who left England for North America in the late
1950s and gave me the life I have today.
And to my wife, Liza, who makes that life way
more interesting.

WILLIE DIXON
